WHAT IS TOURGUIDELITE?

TourGuideLite is the pay-as-you-go version of TourGuidePro. No monthly subscription, no commitment. You buy credits, each credit gives you one room session — use it whenever you need it, for as long as you need it.

Perfect for spontaneous guides, one-off experiences, pop-up tours, or anyone who guides occasionally and doesn't want a recurring bill.

HOW IT WORKS

1. Sign in with Google

No registration form. Any Google account works.

2. Buy credits

Purchase via PayPal or Bitcoin Lightning Network. 1 credit = 1 room session.

3. Open a room instantly

A QR code is generated. Share it with your group.

4. Go live

Your voice streams in real time via WebRTC to everyone who scanned.

5. Done

No cleanup, no subscription to cancel. Credits never expire.
